## GENERAL INFORMATION ABOUT THE TRIAL

**VENDORS** are welcome with certain provisions and preregistration. Vendors will pay a vendor registration fee of \$25.00 OR an equivalent donation of a product/service per day. All vendor donations are used to support the worker raffle. Upon arrival at the show site, vendors need to check in with the vendor coordinator. There is **NO ELECTRICITY AVAILABLE FOR VENDORS**. If you wish to reserve a vending spot, please contact Cindy Stewart (email address above).

### INFORMATION ON THE SITE:

**THE HUMANE SOCIETY:** This is a busy and operating humane society. Please keep your dogs away from shelter dogs. They are probably not as well trained as your dogs!

**SHOW SITE FACILITIES:** Although there are indoor bathrooms at this site, they will not be available for much of the trial (i.e. early morning, late afternoon, etc.) We will have port-a-pots available on the show site. Please use the port-a-pots instead of the indoor bathrooms. MHS is on a sensitive septic system. When MHS is open, you can certainly use the bathrooms on a limited basis, for example, if your hands ended up in something unpleasant. ☺

**LEASH RULE:** The site owners require that **ALL DOGS be on a leash** except when using the warm-up jump or while in the ring. There are no exceptions to this requirement.

### DIRECTIONS

From West of Keene: I-91 take Keene, NH exit: Take Route 9 East to Keene. Go straight through the set of lights (Home Depot shopping center is on the left), through the next light (which is where Route 9 continues East, but you keep going straight towards Route 10). Follow straight and at the rotary, turn right onto Route 10 South. **\*\*Continue on Route 10 South, past the Market Basket grocery store for approximately ¼ mile. The entrance to the Monadnock Humane Society is on the right. From East of Keene: Route 101 West. Keep following Route 101 in Keene until you come to the rotary. **\*\*follow directions above from this point.****

**WARM UP AREAS:** There will be a warm-up jump available for ENTERED DOGS. Please instruct your children to not play on the obstacles. No other obstacles may be set up at the show site for the purpose of training or warm-up.

**OBSTACLES:** The following obstacles may be used.

Obstacle specifications shall meet the current CPE obstacle requirements

Aframe – 9' sides, rubber granules, slats	Dog Walk – 12' planks, rubber granules, slats
Teeter – 12' plank, rubber granules, slatless	Weave poles – 24" poles - center to center
Jumps: Bar, Spread, Panel	Open Tunnels
	Pause Table – games only

**WORKER RAFFLE:** CATS is offering a CASH Worker Raffle, along with items from vendors. Make sure you check in with the Ring Managers and receive your tickets. Names will be drawn toward the end of each afternoon so listen for the announcements.

**BUFFER ZONES:** Buffer zones will be established around the ring and will be marked with yellow poly lines. Please leave these lines in place. No tents are to be set up in the buffer zones. There will be no chairs, sitting, food, drinks, treats, toys, training, tugging or clicker use in the buffer zones. Buffer zone restrictions also apply to the gate areas, and entrance/exit chutes.

**CLEAN UP:** Cleaning up after yourself and your dog(s) at the show site and at the motels is a must. The Event Committee may dismiss competitors that fail to clean up after their dogs.

**FOOD:** Snacks and lunch will be provided for volunteers.

**DISCIPLINARY ISSUES:** It is expressly understood that competitors alone are responsible for the behavior of their dogs, family and guests. Any competitor whose dog(s), family or guests create unnecessary disturbances or engage in unsafe or disruptive behavior may, at the discretion of the Organizing Committee, be asked to leave the show site. Entry fees will not be refunded. The CATS CPE Trial Committee will review disciplinary problems in accordance with CPE Rules and Regulations.

**PRIZES AND AWARDS:** Ribbons will be awarded for 1-4th placements in each jump height and class. Ribbons will be awarded for Qualifying scores. New title rosettes will also be awarded for dogs completing a new level title, i.e.: CL-2, CL-3. C-ATCH, CS-ATCH, CT-ATCH and C-ATE, CS-ATE and CT-ATE rosettes will be awarded to those teams that complete all Level 5 or Level C classes!!

**SPECIAL AWARDS:** CATS will award two very special awards at the trial, sponsored by Linda Guinane (one of CATS's Founding Members). The first award is for "High Scoring Rescue Dog". Please be sure to sign up for this award if you are running a shelter or rescue dog! The second award is for High Scoring Dog. This award will go to the highest scoring dog in the trial. Both rosettes will be awarded immediately following the Jumpers class on Sunday. If you have qualifying runs over the course of the weekend, stick around on Sunday afternoon because this award may go to you! Note: No one dog will win both awards.

**CPE trial rules – shortened version: see the online rulebook at [www.k9cpe.com](http://www.k9cpe.com) for registration info, “Registering with CPE” and further info on height categories and rules.**

**Jump Heights – no dog will jump lower than 4”**

NOTE: P-Card = Permanent Card: the lowest allowable Regular height a dog may jump in CPE.

General CPE rules for entries/show site:

- Dogs must be at least 15 months or older the first day of the trial
- Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: [www.k9cpe.com](http://www.k9cpe.com). Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. Exhibitors may not use the warm-up area to relieve their dogs.
- Exhibitors must verify their entry information and report any discrepancies to the show secretary by the closing or move up date for the trial. The show secretary is not obligated to make changes at the trial if it is the exhibitor’s error. No changes will be made once the trial has been completed when the handler did not report an error before or at the trial.

**Dogs in the ring, leashes, exiting the ring**

- Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: collars, stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog’s eyes.
- Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may *not* be used to take a dog into the ring.  
Handlers may not carry their leash with them on the course – if done so, an NT will result. Exception: Handicapped handlers that have a mobility problem in picking up the leash at the finish may put their leash in their pocket – the leash must be out of sight.
- Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

**Training a dog in the ring during a run**

There is no training in the ring at a CPE agility trial. First offense will result in an excusal from the run. Further offenses will result in additional excusals for the day/weekend per the judge’s discretion. This is for the safety of the dog.

The following items *are not* considered training in the ring (also see FEO):

- Dog grabbing it’s leash at the end of a run (if the run has not yet ended, the dog would receive an NT)
- Asking the dog once for a sit or down on the table in the point games (asking more than once will be a delay of finish, 5 faults/points)

The following items *are* considered training in the ring:

- Violating the 4 paw safety rule (directing the dog back onto the contact)
- Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- Putting the dog back on the table in the point games

**While running on course**

- The handler will direct the dog through the course without a collar or lead.
- Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals.

**Questions?** See the rules page on the website, [www.k9cpe.com](http://www.k9cpe.com) or your printed rulebook. If you have further questions, email CPE – [cpe@charter.net](mailto:cpe@charter.net).
